Augustana College Golden Vikings

August 2005

Dear Golden Vikings,

The beginning of the 2005-06 school year is almost here. New students arrive on August 28.

This is also the beginning of our year of activities as Golden Vikings. I believe that our council has planned a fine series of events for our enjoyment and renewing our friendships.

We will begin with **Janet Brown, Chair of Music, Theatre, and Visual Arts**, on Wednesday October 5, 2005. We gather in the 3-in-1 Room at 10:00 for refreshments, with the program beginning at 10:30. The new Art Building is currently under construction, attached to the west side of the Humanities Building. So Janet Brown's talk is very timely.

Once again we invite you to join us in our Golden Vikings programs and activities as you can. It is good for us to gather together as people who cherish Augustana.

For those of you who live at a distance or for other reasons are not able to attend our meetings, please drop me a note about you, your activities and family, so that I can share at one of our meetings.

If you need transportation to any of our meetings, please call me at 338-3880.

On behalf of your 2005-2006 Golden Vikings Council,
Arlen Viste

President - Arlen Viste
Secretary - Joey Aldern
Treasurer - Duane Matz
